CITY OF REDMOND RESOLUTION NO. 1361

A RESOLUTION OF THE CITY COUNCIL OF THE CITY ΟF REDMOND, WASHINGTON, ACKNOWLEDGE FEET FIRST'S RECOGNITION THAT THE CITY PROVIDES, AND WILL CONTINUE PROVIDE, A SAFE AND EFFICIENT PEDESTRIAN ENVIRONMENT AND WILL ADVANCE FIRST AGENDA TO PROMOTE WALKABLE COMMUNITIES IN THE STATE OF WASHINGTON

WHEREAS, Feet First is the only pedestrian advocacy group in the State of Washington and promotes walking every day for health, transportation, and pleasure, as well as to preserve the environment and connect the community; and

WHEREAS, the Feet First Agenda supports walkable and vibrant communities and pedestrian enhancements that improve safety, mobility, and access for all; and

WHEREAS, the Feet First Agenda aligns with the City's objective to create and maintain a safe, efficient, and attractive pedestrian environment that encourages walking as a viable mode of transportation; and

WHEREAS, goals and initiatives in the Feet First Agenda correspond with the City's strategies to implement the vision of two urban centers and connected neighborhoods with high quality services for an engaged citizenry; and

WHEREAS, the City recognizes the power of partnerships with agencies that advocate for community health and vitality and that support our efforts to provide superior pedestrian

facilities.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF REDMOND, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:

Section 1. The City of Redmond is committed to implementing the Pedestrian Element of the Transportation Master Plan to guide all pedestrian-oriented policies and strategies.

Section 2. The City of Redmond has adopted a Complete Streets Ordinance that establishes policy to accommodate multimodal transportation including pedestrians, bicycles, freight, and vehicle mobility.

Section 3. The City has adopted land use policies that support sustainable pedestrian development, vibrant neighborhoods, and communities.

Section 4. The City of Redmond has an active Pedestrian and Bicycle Advisory Committee that advocates for projects and programs that support walking.

Section 5. The City of Redmond has an integrated, multi-departmental approach to support and coordinate pedestrian-oriented policies and activities.

Section 6. The City of Redmond implements projects and activities to promote walking and pedestrian safety.

Section 7. The City of Redmond is committed to advancing legislation, policies, education, engineering, and

enforcement strategies that support pedestrian safety.

Section 8. The City of Redmond is implementing policies and programs that promote walking to and from schools, parks, libraries, public transportation, work, home, and shopping.

Section 9. The City of Redmond has developed a measurement system by way of the annual Community Indicators Report that monitors the level of pedestrian activity and the effectiveness of pedestrian-oriented strategies.

ADOPTED by the Redmond City Council this 19th day of July, 2011.
